

**Prominence HealthFirst (HMO)**  
**Urgent Care Locations – Northern Nevada**

Urgent care centers are available for unforeseen injury or illness and when prompt care is needed to prevent serious deterioration of a member's health. If your primary care practitioner (PCP) is unavailable or it is after hours, use the urgent care clinics.

Lacerations, colds, flu, and earaches are examples of when to seek services at an urgent care center. Please be aware that some locations close for lunch and on holidays. *\*Please call to confirm hours.*
